

BATTEN DISEASE EMERGENCY RELIEF PROGRAM

What is the purpose of this program?

The National Organization for Rare Disorders (NORD®) recognizes the burden that managing a rare diagnosis places on a patient and their family. This financial burden may impact a patient's ability to afford unexpected or emergency essential (non-medical) expenses. The Batten Disease Emergency Relief Program is designed to provide limited assistance to eligible individuals in such circumstances.

EMERGENCY RELIEF PROGRAM

What happens if an applicant does not meet the criteria using the Electronic Income Verification?

The NORD Patient Services Representative will offer to e-mail, fax, or mail the brief program application and disclosure forms to the patient. The applicant may then complete the application, sign the disclosure form, provide the appropriate financial documentation to verify financial need, and return them via fax, email, or USPS mail.

Is there a limit to a patient's financial award?

A decision to place a "cap" on funding or limit the scope of assistance to beneficiaries is at NORD's discretion and is determined based on the amount of donations made to the fund, as well as the anticipated volume of applicants expected to utilize the program, and their anticipated financial need.

What kinds of assistance can I request from NORD?

NORD's program can assist eligible individuals/families with expenses in a number of categories:

- The Batten Disease Emergency Relief Program assists eligible individuals with the cost of unexpected or emergency non-medical expenses that cannot be afforded without short-term assistance.
- Some examples of these expenses may be:
 - > *The cost of repair for a car or major appliances, unexpected utility costs or cell phone bill that cannot be afforded due to lost wages from time off related to illness or care of ill family.*
 - > *Other types of emergency requests will be considered on an individual basis.*

Are there expenses which cannot be covered by NORD'S Emergency Relief Program?

NORD's goal is to be as flexible as possible in regards to patient's emergency needs. Some expenses are not permissible by law, including:

- Federal, state, or local tax payments, including property taxes, child support payments, legal fines and/or fees.
- Luxury goods and services or vacation costs are not eligible for consideration.

How does NORD demonstrate compliance with regulations required of charities?

NORD independently designs its patient assistance programs based on the needs of specific patient communities.

- No pharmaceutical company or donor controls or influences our programs.
- Our patient assistance decisions are based on consistently applied financial eligibility criteria and diagnosis only.
- Patients have their choice of health care provider, treatment and treatment location, and can make changes at any time.
- Patients' privacy and well-being are priorities at NORD. We do not share or provide patient names or data with donors, nor do we disclose or identify donors to patients.
